### President's Letter

On Thursday, Jan 11 we skalleagues gathered to welcome in a new Skal year at Yanni's. We enjoyed their hospitality, great food including their famous flaming Saganaki appetizer. After

devouring the scrumptious Baklava dessert, Yanni then personally served each of us his Ouzo liqueur. It was a fun evening. We shared some new year's toasts and resolutions. I am glad so many of you were able to solve the New Year's Logic Quiz!

Skal International has published its first edition of the "Skal World Recipe Book." It consists of recipes from 130 clubs belonging to 44 countries. Each recipe has a description of the city where the club is located. Our Club submitted the "Denver Omelet". So, if you wish to grab your apron and prepare some of the recipes, visit: <https://www.skal.org/recipe-book>.

As I write this, it's cold outside, but Skal is on fire! Our February 8 meeting (second Thursday) will be at Pappadeaux's. Bring a guest and plan to celebrate Valentine's Day a little early with your fellow skalleagues. Upon arrival be sure and guess how many chocolate hearts are nestled in the global ball. The winner gets to take home all of those yummy hearts. In addition, maybe a chocolate heart awaits you for dessert!

I wish to thank all of you for the thoughtful \$100 La Merise French Bistro Restaurant Gift Card that you presented to me at the December meeting. I will enjoy using it and ordering my favorite trout entrée. Again, thank you for your thoughtfulness. It is appreciated. Jean
